## Preface to the 3<sup>rd</sup> edition Overview of Income Tax

I am expressing my profound sense of thankfulness to the almighty Allah for giving me the effort to complete the 3<sup>rd</sup> edition of the Overview of Income Tax. I am very much thankful to my colleagues who have extended their hands for helping me in this regards.

It has been prepared by taking aide from Income Tax Ordinance-1984, NBR Website and Publications, Various SROs, Taxation-II (ICAB) Manual and open tax resources of Big 4 firms. It is up to dated by Finance Act-2017. I think it will serve its purpose to the reader ably of this Overview of Income Tax. Although i attempt to provide accurate information at the time of preparation, there is no assurance that all the information would continue to be accurate in the future.

Any errors, omissions and mistakes in this summary book remain my responsibility to correct the errors, omissions and mistakes. If you have any query regarding this summary book, please feel free to communicate with me. 29	55	Winning lottery	20%

Income from above sources will firstly be computed on regular basis as per provision of ITO 1984 and the assessee's regular income tax rate would be applied on such taxable income determined on regular basis as per ITO provisions. If such regular tax liability is higher than the withholding tax deducted from these sources of income, the regular tax liability would be payable after adjusting withholding tax deducted at source. However, if regular tax liability of those sources is lower or nil compared to withholding tax on those sources, such withholding tax on those sources would be considered as final and minimum tax for those sources of income.

- b) Withholding tax deducted from the following sources of income will be considered as final tax liability considering the rate of withholding tax would be their applicable tax rate:

Sl. no.	Sources of income as mentioned in	Amount that will be taken as income	Rate of amount of tax
1	52C	Amount of compensation as mentioned in section 52C	As mentioned in section 52C
2	52D	Amount of interest as mentioned in section 52D	As mentioned in section 52D
3	53DDD	Amount of export cash subsidy mentioned in section 52DDD	As mentioned in section 53DDD
4	53F(1) (c) and (2)	Amount of interest as mentioned in section 53F	As mentioned in section 53F
5	53H	Deed value as mentioned in section 53H	As mentioned in section 53H and the rule made there under

- c) For any other sources of income except those mentioned in (a) and (b) above, income would be determined following the provisions of ITO 1984. However, tax liability so determined should not less than the amount of minimum tax as mentioned below:

Sl. no.	Classes of assessee	Rate of minimum tax
1	Manufacturer of cigarette, bidi, chewing tobacco, smokeless tobacco or any other tobacco products	1% of the gross receipts
2	Mobile phone operator	0.75% of the gross receipts
3	Any other cases	0.60% of the gross receipts

Please note that if any loss arises from the sources of income except those mentioned (a) and (b), such loss can be carried forward as per provisions of ITO 1984.

### Advance Payment of Tax:

Every taxpayer is required to pay advance tax in four equal installments falling on **15<sup>th</sup> September; 15<sup>th</sup> December; 15<sup>th</sup> March** and **15<sup>th</sup> June** of each year if the latest assessed income exceeds Taka four lakh.
