About Our Firm

Hussain Farhad & Co. Chartered Accountants (HFC), established in 1997, has grown from a sole proprietorship into a leading multidisciplinary firm with six partners and over 200 professionals across Dhaka and Chattogram. The firm is driven by a strong problem-solving culture, delivering practical and impactful solutions to clients and the wider community.

HFC offers expertise in audit, accounting, taxation, advisory, Valuation BPO, and technology solutions, serving local and multinational clients.

HFC is an independent member of Morison Global, ranked 9th globally by the International Accounting Bulletin in 2025, with a presence in over 66 countries, enabling the firm to deliver globally informed yet locally relevant solutions.

Additionally, HFC has been an authorized training employer of the Institute of Chartered Accountants of England and Wales (ICAEW) since 2014, reflecting its commitment to professional excellence and talent development.
